

Changing Your Survey Closed Message

Step 1: Navigate to the Survey

You can navigate to the Surveys page by clicking Survey icon at the top of the webpage.

This will redirect you to a list of your surveys. Find your survey in the list. You'll need to go to the Settings page for the survey you want to update.

You can get to the Settings page from the Survey list by clicking on the “Settings” icon next to the survey.

Or you can get to the ‘Settings’ Page from the Survey list by clicking on the “Design” icon next to the survey and then clicking on the “Setting” icon on the left-hand side of the page.

Using either of the above options will redirect you to the “Settings” page.

Settings

Security

- Password Protection
- Recaptcha (Spam Protection)
Protects your survey from spam and abuse
- Save and Return
Allows respondents to have their progress saved a link to the survey emailed to them, such that they can continue completing their survey at a later time or from a different device.

Query Parameters

Capture custom query string data that you embed in the hyperlinks you send to participants

Survey Complete

Completion Actions

Step 2: Update Your Survey Closed Message

Navigate down the page to the section with the title “Survey Closed.”
Enter or update your message within the field below.

Survey Closed

Closed Survey Message (HTML Markup)

File Edit View Insert Format Tools Table

This survey is closed.
